Strong Support for Share Purchase Plan

The directors of Encounter Resources Limited (“Encounter” or “the Company”) are pleased to advise that the Share Purchase Plan (“SPP”) announced on 22 May 2017 has closed oversubscribed and raised a total of A\$682,750.

The Company is pleased by the strong response to the SPP from our shareholders and the directors have decided to accept the additional subscriptions in accordance with the terms of the SPP. Together with the recently announced private placement to professional/sophisticated investors, the Company will raise a total of approximately **A\$3.6 million**. The directors are seeking ratification of various resolutions relating to this fund raising at a General Meeting of the Company to be held on 11 July 2017.

Under the terms of the SPP, eligible shareholders were offered the opportunity to subscribe for up to A\$15,000 worth of fully paid ENR shares at an issue price of 10 cents per share.

Proceeds from the SPP will be primarily used to advance exploration at Encounter’s Telfer West and East Thomson’s Dome gold projects and for general working capital purposes.

The directors would like to thank participating shareholders for their ongoing support of the Company.

A diamond drill rig is currently operating at the Telfer West gold project and has commenced the second drill hole of the program. In addition, an RC rig is scheduled to commence the planned programs at Telfer West and East Thomson’s Dome in the coming days.

Please find attached an Appendix 3B in respect of the issue of shares pursuant to the SPP.
