- (a) it is cast by a person as a proxy appointed by writing that specifies how the proxy is to vote on the proposed resolution; and
- (b) it is not cast on behalf of a Restricted Voter.

Further, a Restricted Voter who is appointed as a proxy will not vote on Agenda Item 2 unless:

- (a) the appointment specifies the way the proxy is to vote on that Resolution; or
- (b) the proxy is the Chair of the Meeting and the appointment expressly authorises the Chair to exercise the proxy even though the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel. NOTICE OF ANNUAL GENERAL MEETING

OTHER BUSINESS

To deal with any other business which may be brought forward in accordance with the Constitution and the Corporations Act.

Details of the definitions and abbreviations used in this Notice are set out in the Glossary to the Explanatory Statement.

GENERAL NOTES

1. With respect to Agenda Item 2, the vote on this item is advisory only and does not bind the Directors of the Company. However, the Board will take the outcome of the vote into consideration when reviewing the remuneration practices and policies of the Company.
2. **Voting by Proxy:** Sections 250BB and 250BC of the Corporations Act came into effect on 1 July 2011 and apply to voting by proxy on or after that date. Shareholders and their proxies should be aware of these changes to the Corporations Act, as they will apply to this Annual General Meeting. Broadly, the changes mean that:
 - if proxy holders vote, they must cast all directed proxies as directed; and
 - if a poll is demanded for a particular resolution, any directed proxies which are not voted (where the appointed proxy is not the chair of the meeting) will automatically default to the Chair, who must vote the proxies as directed.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, **if it does:**

the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and

- if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- if the proxy is the chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the proxy is not the chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Transfer of non-chair proxy to chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
 - the proxy is not recorded as attending the meeting;
 - the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

3. The Explanatory Statement to Shareholders attached to this Notice of Annual General Meeting is hereby incorporated into and forms part of this Notice of General Meeting.
4. The Directors have determined in accordance with Regulation 7.11.37 of the Corporations Regulations that, for the purposes of voting at the meeting, shares will be taken to be held by the registered holders at 5.00pm (WST) on 28 November 2017.

EXPLANATORY STATEMENT

The purpose of the Explanatory Statement is to provide shareholders with information concerning all of the Agenda Items in the Notice of Annual General Meeting.

Certain abbreviations and other defined terms are used throughout this Explanatory Statement. Defined terms are generally identifiable by the use of an upper case first letter. Details of the definitions and abbreviations are set out in the Glossary to the Explanatory Statement.

1. Discussion of Financial Statements & Reports

The Company's financial reports for the financial year ended 30 June 2017, together with the Directors' reports and the auditor's report are placed before the Annual General Meeting thereby giving shareholders the opportunity to discuss those documents and to ask questions. The auditor will be attending the Annual General Meeting and will be available to answer any questions relevant to:

- the conduct of the audit;
- the preparation and content of the independent audit report;
- the accounting policies adopted by the Company in relation to the preparation of accounts; and
- the independence of the auditor in relation to the conduct of the audit.

Shareholders should consider these documents and raise any matters of interest with the Directors when this item is being considered.

2. Adoption of Remuneration Report

Section 250R(2) of the Corporations Act requires the Company to present to its Shareholders the Remuneration Report, as disclosed in the Company's Annual Report.

The Resolution is advisory only and does not bind the Directors or the Company. The Annual Report (together with the Remuneration Report) is available on the Company's website (www.enrl.com.au).

Under the Corporations Act, if at least 25% of the votes cast on the resolution to Agenda Item 2 are voted against adoption of the Remuneration Report at the Annual General Meeting, and then again at the Company's next Annual General Meeting, the Company will be required to put to Shareholders a resolution proposing the calling of a general meeting to consider the appointment of directors of the Company (**Spill Resolution**).

If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the general meeting (**Spill Meeting**) within 90 days of the Company's Annual General Meeting. All of the Directors who were in office when the Company's Directors' report was approved, other than the Managing Director of the Company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting. Following the Spill Meeting those persons whose election or re-election as Directors is approved will be the Directors of the Company.

The proportion of votes cast against the adoption of the 2016 Remuneration Report was less than 25% of the total votes cast. Accordingly the Spill Resolution is not relevant for this Annual General Meeting.

The Remuneration Report explains the Board policies in relation to the nature and level of remuneration paid to the Directors and sets out the Company's remuneration arrangements for each of the Directors and senior management of the Company for the financial year ended 30 June 2017. The Remuneration Report is part of the Directors' report contained in the annual financial report of the Company for the financial year ending 30 June 2017.

A reasonable opportunity will be provided for discussion of the remuneration report at the Annual General Meeting.

The Board considers that its current practices of setting executive and non-executive remuneration are within normal industry expectations, and provides an effective balance between the need to attract and retain the services of the highly skilled key management personnel that the Company requires. As such the directors recommend that shareholders vote in favour of the resolution to Agenda Item 2.

EXPLANATORY STATEMENT

2. Adoption of Remuneration Report (Continued)

Voting

Note that a voting exclusion applies to Agenda Item 2 in the terms set out in the Notice of Meeting. In particular, the Directors and other Restricted Voters may not vote on this Resolution and may not cast a vote as proxy, unless the appointment gives a direction on how to vote or the proxy is given to the Chair and expressly authorises the Chair to exercise your proxy even if the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

By appointing the Chair as proxy, and not providing voting directions, you are considered to have expressly authorised the Chair to exercise your proxy, even though the resolution may be connected directly or indirectly with the remuneration of a member of the Key Management Personnel. The Chair will use any such proxies to vote in favour of the Resolution.

Shareholders are urged to carefully read the proxy form and provide a direction to the proxy on how to vote on this Resolution.

3. Re-Election of Director – Mr Paul Chapman (*B.comm, ACA, Grad.Dip.Tax, MAICD, AAusImm*) as an Ordinary Resolution

Experience

Mr Chapman is a chartered accountant with over twenty-five years' experience in the resources sector gained in Australia and the United States. Mr Chapman has experience across a range of commodity businesses including gold, nickel, uranium, manganese, bauxite/alumina and oil/gas. Mr Chapman has held managing director and other senior management roles in public companies of various sizes.

During the last 3 years, Mr Chapman has been a director of Silver Lake Resources Limited (resigned 30 September 2015) and Avanco Resources Limited (appointed 1 May 2017).

Term of Office

Mr Chapman was appointed as Director of Company on 7 October 2005.

Independence

The Board of Encounter Resources Limited considers Mr Chapman to be an Independent Director.

Special Responsibilities

Mr Chapman is the Chairman of the Company and a member of the Company's Audit Committee.

Directors' Recommendation

The Board (excluding Mr Chapman) supports the proposed re-election and recommends that Shareholders vote in favour of the re-election of Mr Paul Chapman as a Director.

4. Approval of Additional 10% Placement Capacity as a Special Resolution

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital over a 12 month period after the Annual General Meeting at which a resolution for the purposes of Listing Rule 7.1A is passed by special resolution (**Additional 10% Placement Capacity**). The Additional 10% Placement Capacity is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An entity will be eligible to seek approval under Listing Rule 7.1A if: (a) the entity has a market capitalisation of \$300 million or less; and (b) the entity that is not included in the S&P ASX 300 Index. The Company's market capitalisation as at 20 October 2017 was \$15.4m and therefore the Board considers that it is an eligible entity for the purposes of Listing Rule 7.1A.

ENCOUNTER RESOURCES LIMITED

ABN 47 109 815 796

EXPLANATORY STATEMENT

4. Approval of Additional 10% Placement Capacity (Continued)

The number of Equity Securities to be issued under the Additional 10% Placement Capacity will be determined in accordance with the formula set out in Listing Rule 7.1A.2.

$$(A \times B) - E$$

Where,

A = Has the same meaning as is Listing Rule 7.1

B = 10%

E = The number of equity securities issued or agreed to be issued under Listing Rule 7.1A2 in the 12 months before the issue date or date of agreement to issue that are not issued with the approval of holders of ordinary securities under Listing Rule 7.1 or 7.4.

The Company is putting Agenda Item 4 to Shareholders to seek approval to issue additional Equity Securities under the Additional 10% Placement Capacity.

This Resolution does not mean that the Company will necessarily utilise the 10% Additional Placement Capacity. Rather, capital markets have recently been in a state of fluctuation and the Directors acknowledge that they may need to act quickly to raise funds when favourable markets emerge. The Company’s failure to raise capital, if and when needed, could delay or suspend the Company’s business strategy and could have a material adverse effect on the Company’s activities. Under these circumstances, the Additional 10% Placement Capacity will provide flexibility for the Company to issue additional securities, in the event that the Directors determine that the issue of the additional securities is in the interests of the Shareholders and the Company in achieving its objectives.

Listing Rule 7.1A

The effect of Agenda Item 4 will be to permit the Company to issue the Equity Securities under Listing Rule 7.1A during the Additional Placement Period (as defined below) without using the Company’s 15% placement capacity under Listing Rule 7.1.

Equity Securities issued under the Additional 10% Placement Capacity must be in the same class as an existing quoted class of Equity Securities of the Company. As at the date of this Notice the Company has quoted securities in the form of Shares on issue.

Based on the number of Shares on issue at the date of this Notice, the Company has 192,007,760 Shares on issue and therefore, subject to Shareholder approval being sought under Agenda Item 4, up to 19,200,776 Equity Securities will be permitted to be issued in accordance with Listing Rule 7.1A. Shareholders should note that the calculation of the number of Equity Securities permitted to be issued under the Additional 10% Placement Capacity is a moving calculation and will be based on the formula set out in Listing Rule 7.1A at the time of issue of the Equity Securities. The table on the page below demonstrates various examples as to the number of Equity Securities that may be issued under the Additional 10% Placement Capacity.

The resolution the subject of Agenda Item 4 is a special resolution, requiring approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative) in order to be passed.

Specific information required by Listing Rule 7.3A

The following information in relation to the Shares to be issued is provided to Shareholders for the purposes of Listing Rule 7.3A:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the volume weighted average price for the Company's Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

4. Approval of Additional 10% Placement Capacity (Continued)

Specific information required by Listing Rule 7.3A (Continued)

(b) If the resolution the subject of Agenda Item 4 is approved by Shareholders and the Company issues Equity Securities under the Additional 10% Placement Capacity, the existing Shareholders' economic and voting interests in the Company will be diluted. There is also a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date of the Equity Securities.

The table below shows the dilution of existing Shareholders of the issue of the maximum number of Equity Securities under the Additional 10% Placement Capacity using different variables for the number of ordinary securities for variable "A" (as defined in Listing Rule 7.1A) and the market price of Shares. It is noted that variable "A" is based on the number of ordinary securities the Company has on issue at the time of the proposed issue of Equity Securities.

The table shows:

- (i) examples of where variable "A" is at its current level, and where variable "A" has increased by 50% and by 100%;
- (ii) examples of where the issue price of ordinary securities is the current market price as at close of trade on 20 October 2017 (current market price), where the issue price is halved, and where it is doubled; and
- (iii) the dilutionary effect will always be 10% if the maximum number of Equity Securities that may be issued under the Additional 10% Placement Capacity are issued.

Variable 'A'	Number of Shares issued and funds raised under the Additional 10% Placement Capacity and dilution effect	Dilution

4. Approval of Additional 10% Placement Capacity (Continued)

- (iii) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholders holding at the date of the Annual General Meeting;
 - (iv) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- (c) Approval of the Additional 10% Placement Capacity will be valid from the date of the Annual General Meeting and will expire on the earlier of:
- (i) the date that is 12 months after the date of the Annual General Meeting; and
 - (ii) the date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),
(Additional Placement Period).
- (d) The Company may seek to issue the Equity Securities for the following purposes:
- (i) cash consideration. If Equity Securities are issued for cash consideration, the Company intends to use the funds to advance its exploration programs and general working capital purposes; or
 - (ii) non-cash consideration for the acquisition of new assets or any other consideration other than cash. If Equity Securities are issued for non-cash consideration, the Company will comply with the minimum issue price limitation under Listing Rule 7.1A.3 in relation to such issue and will release the valuation of the non-cash consideration to the market.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A upon issue of any Equity Securities.

- (e) The Company's allocation policy for the issue of Equity Securities under the Additional 10% Placement Capacity will be dependent on the prevailing market conditions at the time of the proposed placement(s). Securities allotted pursuant to the allocation policy will be determined following consideration of a number of factors including, but not limited to, the following matters:
- (i) the ability of the Company to raise funds at the time of the proposed issue of Equity Securities;
 - (ii) the dilutionary effect of the proposed of the issue of the Equity Securities on existing Shareholders at the time of proposed issued of Equity Securities;
 - (iii) the financial situation and solvency of the Company; and
 - (iv) advice from its professional advisers, including corporate, financial and broking advisers (if applicable).

At the date of this Notice, the Company has not formed an intention as to whether the securities will be offered to existing security holders, or to any class or group of existing security holders, or whether the securities will be offered exclusively to new investors that have not previously been security holders of the Company. The Company will give consideration before making any placement of securities under Listing Rule 7.1A whether the raising of any funds under such placement could be carried out in whole, or in part, by an entitlements offer to existing security holders.

The allottees under the Additional 10% Placement Capacity have not been determined as at the date of this Notice but will not include related parties (or their associates) of the Company.

- (f) The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its 2016 Annual General Meeting on 25 November 2016 and the Company has issued 15,564,404 securities pursuant to that Listing Rule 7.1A approval.
